Learn about lung cancer types and treatments.

Jonathan Castro, MD
Cleveland Clinic
Marymount Hospital

Lung cancer starts when abnormal cells cluster in the lungs to form a tumor. When these cells grow without order or control, destroying healthy tissue around them, the tumors are called malignant or cancerous.

“Early detection through screening is recommended if you’re at high risk. That’s the best line of defense when it comes to treating lung cancer,” explains Jonathan Castro, MD, a pulmonologist at Cleveland Clinic Marymount Hospital.

Dabasis Sahoo, MD
Cleveland Clinic
Marymount and
South Pointe hospitals

There are two types of lung cancer: non-small cell and small cell. Non-small cell is more common, and usually grows and spreads more slowly.

Dabasis Sahoo, MD, a pulmonologist at Marymount and South Pointe hospitals, shares information about the three most common types of non-small cell lung cancer:

- Adenocarcinoma often starts growing near the periphery of the lung and may vary in both size and growth rate. This is the most common type of lung cancer in both smokers and those who have never smoked.
- Squamous cell carcinoma usually starts in one of the larger breathing tubes near the center of the chest. The size of these lung tumors can range from very small to quite large.
- Large cell carcinoma often starts near the periphery of the lung, grows rapidly and is usually quite extensive when diagnosed.

Treatment depends on the type, stage and goals. Options may include surgery, radiation, chemotherapy, targeted therapy, immunotherapy, clinical trials and/or palliative care.

“Cleveland Clinic offers expert medical care that ensures you’ll get the best outcome possible,” says Dr. Castro.

Visit ClevelandClinic.org/CancerTreatmentGuides to download a free lung cancer treatment guide. To schedule an appointment with Dr. Sahoo, Dr. Castro or another Cleveland Clinic pulmonologist, call 216.444.6503.

Sleep apnea: Implant provides relief to help catch some Zs.

Alan Kominsky, MD
Cleveland Clinic
Beachwood Family
Health and Surgery
Center

Are you snoring, gasping and choking your way through the night? Does that make it difficult to function the next day? Obstructive sleep apnea causes interrupted breathing during sleep and can be a long-term danger.

“Sleep apnea can cause many health issues like increased risk for heart attack and stroke. It even shortens the lifespan,” says Alan Kominsky, MD, a surgical sleep specialist at Cleveland Clinic Beachwood Family Health and Surgery Center.

If you haven’t had success with a continuous positive airway pressure (CPAP) machine, there may be an alternative therapy – a device that is surgically implanted beneath the clavicle. The implant delivers upper airway stimulation synchronized to your breathing to relieve obstruction during sleep.

Dr. Kominsky says patients may be eligible for the implant if they:

- Have moderate to severe obstructive sleep apnea.
- Are unable or unwilling to use CPAP.
- Have a BMI < 32 (most commercial insurance plans), BMI < 35 (Medicare).
- Are at least 18 years of age.

The device is implanted in an outpatient surgery setting. Roughly every 11 years, a procedure to replace the battery is necessary. “You use an external remote to turn the implant on when you’re going to sleep,” says Dr. Kominsky. By ensuring a good night’s rest, this technology can eliminate the mental struggle and health issues that sleep apnea can cause.

Visit ClevelandClinic.org/OSA for more information. To schedule an appointment with Dr. Kominsky or another Cleveland Clinic sleep specialist, call 216.284.8427.

Share your care today. Inspire our future.

Everyone has something they want to see changed, treated, cured. A disease that’s affected a loved one. A need in your community. As Cleveland Clinic steps into our second century, we’re reflecting on how our history of healthcare has helped shape today – and how today can help shape tomorrow. It all starts with a simple question: “What do you hope for in the next 100 years?”

Go to ClevelandClinic.org/Centennial to share your care and help change the future of healthcare. Right now for every care shared, a generous supporter will make a donation in your honor to Cleveland Clinic’s Centennial Campaign.

FOR EVERY HAPPY & HEALTHY LIFE

Cleveland Clinic Hillcrest Hospital is, once again, a top-ranked hospital in Ohio.

Dear Neighbors

Mayor
Patrick A. Ward

Photo / Jonathan Koslen
Photography

Here we are, gearing up for the Holiday Season and the dawn of a New Year, one I am looking forward to with hope and optimism. So many things have yet to get back to normal and so many things that have changed are not so bad. It is truly a mixed bag. The one thing I have noticed we all need to practice is a little more patience and show

a lot more gratitude for workers who are doing all they can to serve us, no matter the capacity, in restaurants and stores. Most businesses are running shorthanded and their workers are generally working longer hours, so let's all try to recognize the challenge and the great effort those businesses that are open and those workers who are working are putting forth.

I have said it before often, and it bears repeating – I appreciate how much our staff, in every City Department, has done to maintain a high level of service to our residents. It has at times required creativity and juggling yet we have managed. I am proud of what our employees do for our residents, how much thought and personal initiative is devoted to every service we provide. We have an awesome staff.

This time of year gives us opportunity to give thanks and to, perhaps even give a little of ourselves maybe right here in our Community. We have some wonderfully generous residents who volunteer their time and talents to make great things happen, whether it be the Meals on Wheels Program, Food Distributions for our Community Partnership on Aging, our Lyndhurst Home Day or other City events there are those who take the time to give back and without whom many things could not happen. My most heartfelt thanks goes out to each and every one!

This past year, we had our normal offering of events and I marvel at how many residents have come out for every one! Our Halloween

event, Trick-or-Treat-Trail (see the pictures in this issue) was no exception with well over 500 having an amazing time in spite of the rain! Each City Department, our City Council and our Court hosted a decorated tent along the trail which was absolutely wonderful! Again, our staff, our Council and our Judge doing extra to engage and enjoy our wonderful Community.

Our City Council has gone back to in-person meetings, as required by law, and the audience is still small, probably because our City's business is conducted in a concise, business-like fashion, absent the drama, the politics or theatrics written about elsewhere. In that regard I think we are very fortunate.

The coming year is one, as I said previously, that I am looking forward to with optimism. We have four new Police Officers – as you may read about in this issue – a newer firefighter and several new faces in our Service Department. Each one has come with energy and enthusiasm which excites us all. We have hired some great candidates!

As always, my hope is for you and yours to experience all that the Holiday Season has to offer with gratitude, good health and joy.

Sincerely,
Patrick A. Ward

Life In Lyndhurst Winter 2021

BICYCLE LICENSES

Bicycle Licenses are available at City Hall and are free. Please call 440.442.5777.

BICYCLE HELMETS

Bicycle Helmets are highly recommended for all riders and passengers. At our Community Center we sponsor a Using Your Head Bicycle Helmet Program through our affiliation with the Injury Prevention Center at Rainbow Babies and Children's Hospital which allows us to provide Bicycle Helmets at our cost of \$10 each. Each Bell Sports helmet is individually fitted – for adults and children over 2 years of age – by appointment only by calling 440.449.5011.

BLOCK PARTY REQUESTS

Block Party requests can be submitted at City Hall at least 2 weeks before your event. A visit by Fire, Police or even the Mayor and Councilman can be arranged as well!

CHILD CAR SEATS

Free Safety Checks for child car and booster seats are available – by appointment only – at our Fire Department by calling 440.473.5139.

DOGS

Dogs are not permitted to run at large. Owners are required to pick up dog waste immediately. Nuisance dogs should be reported to Lyndhurst Police non-emergency at 440.473.5116.

EMERGENCIES

Call 911 from a landline. Or program 440.442.1234 into your cellphone to access Lyndhurst Emergency Dispatch directly.

EMERGENCY NOTIFICATIONS

Sign up to receive emergency and/or special notifications from the City by clicking the Sign Up Emergency Notifications tab on the City website.

E-NEWS UPDATES

Receive regular updates on your community via our e-newsletter! Sign up on the City website.

FIRE SAFETY CHECKS

The Fire Department offers free Home Fire Safety inspections. To make an appointment please call 440.473.5139.

GRASS ORDINANCE

Grass may not be taller than 8" by City Ordinance. Tall grass and/or weeds spreading seeds are declared a nuisance.

HOUSE NUMBERS

Addresses must be clearly visible from the street.

HYDRANTS

Be sure to keep hydrants clear of snow!

NOISE

Lyndhurst Ordinances prohibit noise that disturbs the peace. Noise complaints are given greater consideration before 7 a.m. and after 9 p.m.

PARKING BAN

No parking is permitted on City streets between the hours of 2 a.m. and 6 a.m. or if snowfall exceeds 2 inches.

POWER OUTAGES

Please report and outage directly to CEI at 888.544.4877 not to the Police Department or City Hall.

LET'S TALK TRASH!

HOLIDAYS

On the following observed Holidays there will be NO Rubbish or Recycling pick up:

Thanksgiving Day – Nov. 25,

Christmas Eve – Dec. 24

New Year's Day Observed – January 3

If your collection day falls on one of these your pick up will be the next business day.

Please have your rubbish and recycling out by 7 a.m. trash day. Containers must be removed the same day and must be stored inside or behind the front setback of your home.

YARD WASTE

All grass clippings, hedge trimmings and garden plants must be placed in paper Yard Waste bags or designated containers. Yard Waste in plastic bags WILL NOT BE COLLECTED! Also see the Leaf Collection notice in this issue!

WEEKEND RUBBISH

Weekend Attended Collection ends Sunday, November 21 and will begin again April 2, 2022.

*No Collection April 17 Easter

PAPER SHREDDING

The next Shredding Day and Food Drive will be Saturday May 14, 2022.

COMPUTER RECYCLING

Place your old Computer or other peripherals next to your recycling container on collection day to be picked up and recycled or bring to the Service Department Monday to Friday 7:30 a.m. to 3 p.m.

CITY WEBSITE

www.lyndhurst-oh.com

Lyndhurst Community Center

Our Lyndhurst Community Center is available for use by community organizations, businesses with their principal base in Lyndhurst and for our residents for private events. There are six rooms available to accommodate events large or small.

If you have not yet visited our Community Center,

please stop by for a tour (appointments preferred at 440.449.5011). Our regular hours are Monday to Friday 9 a.m. to 4:30 p.m.

We do collect old cell phones (iPods-iPads-MP3 players and digital cameras, too) to be recycled for donation to the American Cancer Society.

Preparing for Winter

As we all prepare for the upcoming Winter Season and the Holidays, the Lyndhurst Fire Department has some important notes about safety.

- Before lighting the first fire in your fireplace or wood burning stove, ensure that it has been properly maintained and cleaned. Keep other combustible materials away from the fireplace or stove.

- You have probably turned on your furnaces by now but please bear in mind that any type of heating appliance that uses Natural Gas, Propane or Kerosene will produce Carbon Monoxide as a normal byproduct of combustion. You should have these appliances checked annually to ensure their proper operation and ventilation.

- It's Carbon Monoxide season. Carbon Monoxide is a colorless, odorless and tasteless gas that is produced by fuel burning appliances. While you are not required to conform to the new building codes if you have an existing home, we recommend that you make an attempt to follow the code. Currently, the Ohio Building Code states that you should have a Carbon Monoxide detector inside every bedroom as well as outside of the bedroom area, such as the hallway to your bedrooms.

- Holiday Decorations are beautiful to admire, but they do come with inherent hazards. Any live decorations need to be watered and kept a safe distance from any open flames. Be cautious when using extension cords. Only use a UL approved cord in a safe manner and only for temporary power. Be sure not to overload the extension cord.

- Space Heaters. Some people do need to use them. It is estimated that 25,000 fires and 300 deaths are caused using space heaters every year in the United States. When using a space heater, look for one that has a tip over safety switch, a thermostat, and some type of protective screen to help prevent burns. Keep combustible items away from the heater and turn the heater off when not in use.

From the desk of Patrick A. Rhode, Chief of Police

Welcome to the Fold!

The City of Lyndhurst and our Lyndhurst Police Department welcomed four new Patrol Officers to our law enforcement family. Mark Dingenary, Amy Marsh, David Duffy, and Jim Fiore were officially sworn in by Mayor Ward on Monday, October 11. Now, let me introduce them:

Mark Dingenary – Homegrown, Mark grew up – and still lives – in Lyndhurst. He is a 2012 graduate of Charles F. Brush High School and graduated from the Cleveland Heights Police Academy in January 2021. He has been a part-time Patrol Officer with the Highland Hills P.D. since April 2021. Mark also worked as a seasonal employee with the Lyndhurst Service Department for several years prior to starting the police academy and becoming a Police Officer. He enjoys sports and jiu-jitsu in his spare time.

Amy Marsh – Amy was born and raised in Ravenna, where she lives. She is a 2015 graduate of Theodore Roosevelt High School and a 2019 graduate of Kent State University, with a Bachelor's Degree in Criminology and Justice Studies. Amy graduated from the Kent State University Police Academy in 2021. Amy most recently worked for University Hospitals in Ravenna, as a patient care assistant. Her fiancé is a Shaker Heights Patrol Officer. In her spare time, she enjoys reading, animals, and anything outdoors.

David Duffy – David grew up in Geauga County (Russell Township/Chester Township areas). He is a 2009 graduate of West Geauga High School and a 2012 graduate of Kent State University, graduating with a Bachelor's Degree. He graduated from the Cleveland Heights Police Academy in 2020. David served as a Patrol Officer with the South Euclid PD since early 2021. Prior to becoming a Police Officer, David was the owner/operator of a family owned/operated commercial cleaning company. He enjoys golfing, hunting/fishing, and working out.

Jim Fiore – Another homegrown recruit, Jim grew up – and still lives – in Lyndhurst. He is a 2012 graduate of Benedictine High School and graduated from the Cleveland Heights Police Academy in 2018. He served as a full-time Patrol Officer with the RTA PD since July of 2019. Jim is following in the footsteps of his father, retired LPD Detective Jim Fiore. He is a firearms enthusiast and enjoys shooting in his spare time.

I look forward to watching their development as Lyndhurst Police Officers and know they will be an asset to the Community that we serve. Please join me in welcoming them to the City and if you happen to see some new faces around town, say hello!

Lock It Or Lose it!

It bears repeating – LOUDLY AND OFTEN – and we cannot stress enough

the importance for residents and community members to work collaboratively with the Police Department to reduce the risk of crime in our neighborhoods. Vehicle break-ins and stolen autos are again the “in thing” in the suburbs ... and Lyndhurst has not been immune. ***We are still making it way too easy for the criminal element to take advantage of us!***

We remind everyone to “Lock-it or Lose-it!” Protect your valuables. Do not leave purses, wallets, cell phones, laptop computers, etc. inside your vehicle. Always lock your car doors, even when in your driveway, and don't leave key fobs in or near your vehicle. It takes only seconds for a thief to make off with your possessions. If you must leave valuables in your car, do not leave them in plain view. The best place is the trunk or a secure location otherwise not visible from outside the vehicle. Take an active role in ensuring that your property is secured so that it stays in your possession and you don't become another victim.

Snow is on the Horizon

With winter upon us, we remind all motorists to exercise caution in their travels. Rear end crashes as a result of following too closely are one of our most common motor vehicle accidents throughout the year. Keep in mind that stopping on snow and ice takes more time than on dry pavement, so leave extra space between your car and the one you are following, and slow down.

During heavy snowfall, residents must remember to clear snow from sidewalks to keep them passable and keep fire hydrants clear of snow. Snow piles should not be higher than three feet or closer than 3 feet to the curb so as not to obstruct the view of drivers or pedestrians (especially children) exiting driveways. Snow should not be pushed onto your neighbors' property or into the street, either by you or your private contractor.

Finally, remember that there is no parking on city streets when snow levels exceed two inches. Vehicles parked in violation of this automatic “snow ban” are at risk of being towed.

Happy Holidays

The men and women of the Lyndhurst Police Department want to wish everyone a wonderful Holiday Season and a happy – **and safe** - New Year! We look forward to the festivities that the season brings and hope to see many of you out and about in our community.

Linda N. Reid

The 2021-2022 school year is officially underway, and despite the new dynamic of education associated with COVID-19 safety protocols and procedures, students are back in the classroom and by-and-large, learning in-person. Without question, new complexities have emerged in educating our children during a pandemic. While starting the year with a mask recommendation, the SEL Schools began requiring masks for everyone on Friday,

September 10, a requirement that remains in effect until further notice. According to national, state and county health standards, when masking is correctly and consistently followed, along with a minimum of 3 feet of physical distancing between students, we minimize the potential risks of in-person instruction, which we know is optimal for learning.

An item of community importance includes the fact that the South Euclid Lyndhurst Schools began collections in January 2021 for the levy that was passed in May 2020 for 5.9 mills of new operating funds in addition to 1 mill of permanent improvement dollars. While those two collections remain separate, the permanent improvement dollars have immediately gone to work during this first year of collections, as the district has begun investing in the installation of air conditioning units at Adrian Elementary and Sunview Elementary School. While our plan was to install air-conditioning in one building per year, this year we completed two building installations, essentially jumping ahead of schedule. Actual collections of the levy generate approximately \$795,000 per year, which will go towards the installation of a new air conditioning system at each of our buildings. This, and the fact that district Treasurer Josh Hill refinanced Tax Anticipation Notes (TANs), the savings for which have been re-directed into the air conditioning

installation project, have thereby permitted two buildings to be completed in its first year. The SEL Schools will follow a timeline where Rowland Elementary School should see the air conditioning installation during the summer of 2022 with the remaining wings of Greenview Middle School to be completed in 2023. Memorial Junior High and Charles F. Brush High School will follow during the subsequent summers. The SEL Schools thanks the community for providing the funding for these full air conditioning installations in buildings within the district that were constructed prior to contemporary airflow systems. The district will keep the community apprised of the continued permanent improvement work that will ultimately benefit our students and staff when temperatures rise at the beginning and end of the school years.

The SEL Schools encourages the community to see updates from our schools online at www.sel.k12.oh.us and on social media, where daily news stories are posted. There, you will find great stories, such as one at Charles F. Brush High School, where the new Innovation Lab is home to an exciting opportunity to develop and explore problem-solving skills with the launch of a new STEM (Science, Technology, Engineering, and Math) class in engineering using a variety of power and woodworking tools, 3-D design programs and printers. Memorial Junior High Student Council members also recently held a car wash to raise money, and awareness of the harmful effects of drug abuse. A new Career Readiness Course at the Greenview Campus is helping to stimulate a future-ready mindset among our students as well. Adrian kindergarten students learned about fire awareness through our partnership with the South Euclid Fire Department. Rowland Elementary students are creating their own video morning announcements, while Sunview students took time to honor the 20th anniversary of 9/11. Please visit us online for complete stories of all the great news happening in all of our buildings.

Thank you for your continued support. Go ARCS!

Dr. Linda N. Reid

Superintendent of Schools

Do You Suffer With **NEUROPATHY?** ...Suffer No More!

Imagine no more medication...but a proven long-term solution you can do at home for your:

- Numbness
- Diabetic nerve pain
- Sharp, electric-like pain
- Burning or tingling
- Muscle weakness
- Difficulty sleeping from leg or foot discomfort
- Sensitivity to touch
- Pain when walking

We offer a scientific, 4-step, proven approach that heals your nerves and reverses your symptoms by:

1. Increasing blood supply to your nerves.
2. Repairing and re-educating your nerves.
3. Increasing the blood flow in your feet or hands.
4. Increasing your balance and mobility.

The Brainard Family's Log Cabin

As families moved to the Northwest Territories (as Ohio was then known), the style of shelter was rather basic. About 1820, when the first family arrived in what is now Lyndhurst, Aristarkus and Sarah Brainard, and their young son Henry, built this log cabin to house themselves. Located on what is now Brainard Road, (south of Mayfield Road as the northern section wasn't built until the 1950's), they lived here until they purchased the property where St. Clare Church sits today. The frame house they had later built next to the log cabin, was then moved by horse team, to their newly acquired property, about 1847.

Their log cabin was a typical structure. Built from local trees, typically oak, maple, and pine, this abundance of material, and the resulting firewood, made the job easier (if one can say that it was easy!). It was said that two men could build one of these simple structures in less than three days. The Brainard's was apparently a two-window, one-door affair. I can see no chimney in this photo so I am unsure if it's somehow hidden, or they cooked outside most of the year, as many families did back then.

The Brainard family descendants told me that Aristarkus and brothers Seth and Wellman, arrived about the same time. Western Reserve Historical Society records show that Henry's son Bonaparte was born in

"Mayfield", on July 17, 1844. The earliest Mayfield land transfer to Aristarkus and Sarah is dated 1847. Because of the discrepancies between these various dates, it's been suggested that land records were slow, if nonexistent, until society caught up. An alternative suggestion was that the Brainard's simply farmed the property and caught up with the legal land ownership situation later.

In all my research, I've found only one other mention of a log cabin. That was Horace H. Rudd and his wife Dorcas, with their eight children, who, in 1834, built a log cabin on the southwest corner of Brainard and Mayfield roads. They later built a large frame house on the same site.

In the mid 1800's, the wave of German immigrants arrived with their large families, and frame homes became the standard. Water wells and outhouses were still the way of life for the local residents. Modern water and sewers weren't completely installed until the mid-1920's, under the leadership of Lyndhurst Mayor Harry Guenther. With that accomplishment, Lyndhurst Village left the past, and the log cabin era, behind.

Unique Boutiques of the Week

Beginning the week of **November 1** through the week of **December 18**, the City of Lyndhurst and the other five cities that make up the Heights-Hillcrest Regional Chamber of Commerce (HRCC) will be featuring six "Unique Boutiques of the Week" (one from each city) where your shopping dollars will not only stay LOCAL but what you find to purchase will indeed be SPECIAL! **Check the HRCC website www.hrcc.org for a complete listing!**

ROSENFELD JEWELRY was established in 1967 by family patriarch Henry Rosenfeld. Using diamond setting skills honed at a large jewelry store in downtown Cleveland, Henry brought high-end services to the suburbs. Joined by his son Art, in 1983, and daughter Shirley, in 1986 Rosenfeld Jewelry has grown yet remained true to providing excellent and personalized services. Located at the Greens of Lyndhurst, Rosenfeld Jewelry, features new gold, silver and custom designed items along with an extensive estate jewelry collection. Custom pieces are made using the latest Computer Aided Design (CAD) software, wax models, a mill and 3D printer and a laser machine for the most intricate jewelry repairs. Models are cast and finished all on location. The estate jewelry inventory and many custom design pieces can be viewed on the company website www.rosenfeldjewelry.com Rosenfeld Jewelry is truly a full-service gem!

SHOW YOUR LOVE FOR

#SHOPSMALL

Come Home for the Holidays at **Legacy Village**

Treat yourself to warm, welcoming holiday shopping with plenty of parking!

There's nothing like coming home for the holidays ... from the comfort of holiday traditions to the excitement of creating new memories with family and friends. This year, Legacy Village is your home away from home with a lineup of stress-free holiday experiences and favorite seasonal traditions.

SHOP WITH DORA

Daily • 11 a.m. – 9:30 p.m.

Whether you prefer a spiked hot chocolate, hot toddy, beer or wine – holiday shopping is a bit more enjoyable with a drink in your hand! Stop into one of Legacy Village's participating restaurants and order an adult beverage to enjoy while you shop and stroll around Legacy Village, daily from 11 a.m. to 9:30 p.m. with DORA.

**PBar Louie • Brio Italian Grille
CPK • The Melting Pot • Wild Mango**

Look for a DORA decal on the doors of participating retailers who welcome shoppers with DORA beverages!

#CREATEJOY AT LEGACY VILLAGE

Looking for the perfect way to Create Joy this holiday season? Look no further than Legacy Village- where you can take a photo with our life-sized JOY sign on stage- using your own body to create the "Y" in Joy! The Joy sign

is the ideal backdrop for anything from holiday cards to a festive social media post, and who knows – if you tag @legacyvillage in your social media post – you might just win a Legacy Village gift card! The Joy sign is located on the stage between Bar Louie and California Pizza Kitchen. Shop. Eat. Play. Stay and #CreateJoy this holiday season with Legacy Village.

HANUKKAH DRIVE-IN WITH JHUB CLEVELAND

Sunday, December 5 from 4 p.m. – 5:30 p.m.

The holidays are a festive time to relax and reconnect with loved ones. Celebrate the last day of Hanukkah, the Jewish festival of lights, with jHUB at their Hanukkah drive-in extravaganza! There will be snacks, warm drinks, and entertainment.

Anyone who wants to celebrate the holiday is welcome to attend. Since Cleveland, Decembers can be unpredictable, you're welcome to sit in your cars for the show or bring lawn chairs.

Admission is \$10 per car and space is limited. Attendees must pre-register. Visit <https://jhubcle.org/> for details.

MAKE THE HOLIDAY SEASON PICTURESQUE

Take a stroll through Legacy Village this holiday season to take in the festive décor – not to mention plenty of photo opportunities on The Lawn. Whether it be our grand Christmas Tree, the holiday flower wall, or the Legacy Village Polaroid frame – you can find the perfect backdrop for seasonal photos here! Plus, if you post them on social media and tag Legacy Village (@LegacyVillage on Facebook and Instagram) you may just win a Legacy Village gift card!

STAY CONNECTED...

It's easy to stay up to date on giveaways and Holiday Happenings at Legacy Village! Be sure to follow LV on Facebook and Instagram (@legacyvillage) and on Twitter (@legacyvillageoh) to stay in the loop on photo contests, gift card giveaways throughout the holiday season, restaurant and retailer promotions and more!

Community Partnership on Aging

Are you a caregiver?

According to AARP, approximately 1.7 million Ohioans provide some level of care for a loved one who is older or who has a disability. You may be in the role of a caregiver if:

- You feel like you've swapped roles with a parent, spouse or other family member.
- You help someone with chores like cleaning, grocery shopping, cooking or transportation.
- You help someone with daily activities, such as bathing, dressing and eating.
- You help someone manage finances, file insurance claims or pay bills.
- You skip meals or forgo exercise and the things you enjoy because someone needs you.

November is **National Caregivers Month**, a time to recognize and formally support all those among us that provide some level of care for a loved one, friend or neighbor. CPA understands the challenges inherent in caregiving and has some options to help caregivers thrive in the caregiving role. We facilitate a Facebook group for caregivers named "Community Partnership Caregivers." Or you may prefer to reach out to one of our partner agencies, Courage to Caregivers, a local nonprofit that is in the caregiver burnout prevention business. Their website is www.couragetocaregivers.org or you can call 216.536.7699. AARP has a great database of resources too (www.aarp.org/caregiving). And as always, feel free to call our social work team (440.442.2628) who can help you navigate the ups and downs of care giving.

We are in the midst of open enrollment for **Medicare** - If you have questions or want to review your plan with one of our social workers, please give us a call at 440.442.2628. We provide unbiased information to assist you in making the right decision about your coverage. Remember- open enrollment ends on December 7, so please call today.

Looking ahead to early 2022, our popular CPA Connects Technology Training series continues! We have classes on everything from learning how to use your smart phone - beyond making calls - to a first-time laptop users' group. Please reach out to Rebekah at 216.291.3902 and let us know what kind of class you are interested in. Also look out for Cardio Drumming, Memories and Milestones: Write Your Own Legacy Workshop and the return of our popular Lunch-n-Movie! Information about these programs and more is available in our monthly print newsletter and on our website www.communitypartnershiponaging.org

Finally, as we enter this **season of gratitude**, research (and common sense) suggests that one aspect of the holidays can actually lift the spirits, and it is built right in - **expressing gratitude**. Gratitude helps people feel more positive emotions, improves health, reduces adversity, and builds stronger relationships. So, as we roll into the upcoming holidays, make sure you take some time to take care of yourself, reflect on what is positive, and learn something new with CPA! Best wishes for a joyous Holiday Season and a Happy, Healthy New Year.

Have the impacts of the COVID-19 Pandemic placed a financial burden on your family?

Have you become delinquent on mortgage payments, utility bills or property taxes?

COMMUNITY HOUSING SOLUTIONS

In partnership with Step Forward and Cuyahoga County has financial assistance available for qualified families!

Contact Darlene at 216.231.5815 to see if you qualify!

From the Building Department

The past 20 or so months, during the Pandemic, the Building Department has processed many more building permits than normal. Our residents have been busy! Whether doing a light refresh or replacing patios, driveways, siding, windows, decks or even kitchens, baths or additions the updates have been plentiful! Our Lyndhurst Building Department is a great resource and is ready to assist our residents through the process of any renovation or building project.

All contractors must be registered with the City. This protects our residents as we assure the contractor is properly licensed and insured. We offer advice on which projects require permits and the inspections necessary to protect residents and their families. Our inspectors assure work has been done correctly and in compliance with Ohio Building Codes and City Ordinances.

Our Building Department can also provide information on loan programs – such as the Count Home Enhancement Loan Program (HELP) or other resources offered by our partners at the Heritage Home Program or Community Housing Solutions where FREE advice is always available.

The Lyndhurst Building Department is always ready to assist our residents with their projects whether large or small!

Heritage Home Program

A valuable City Partner and great resource for our residents is the Heritage Home Program. For homes that are 50 years and older the program provides access to low-interest financing, contractor referrals, scope of work and contract review and project prioritization advice. **ALL FOR FREE!** The Heritage Home Program is a nonprofit that has worked with the City and our residents for many years and has overseen projects totaling millions of dollars. **Program representatives are available at 216.426.3116 or online at www.heritagehomeprogram.org.**

The Lyndhurst Municipal Court Introduces New Driving Under Suspension Program

Our Lyndhurst Municipal Court is constantly reviewing its practices, procedures, and programs to best serve its communities and residents. To that end, the Court has introduced a new program to address the Driving Under Suspension (DUS) cases that come before the Court. This program was developed by the Court in collaboration with the municipalities' prosecutors and police chiefs. Judge Coletta believes this innovative program is the first of its kind in the state.

The objective of the program is to assist individuals cited for Driving Under Suspension to obtain a valid Ohio driver's license and the required insurance. The Court not only educates these individuals as to each step necessary to get a valid license, but also provides an incentive for these drivers to get valid. Individuals that return to court with a valid license will have some charges amended or even dismissed, depending upon the circumstances of their case.

Most individuals charged with Driving Under Suspension are not facing jail time. Nonetheless, many of these defendants do not return to court as required. Previously, when an individual failed to return, the Court would issue a warrant for his or her arrest. This resulted in the Court issuing several hundred warrants in DUS cases each year. The Court's new program will eliminate the need to issue many of these warrants.

Under the new program, when a defendant charged with Driving Under Suspension fails to return to court, instead of issuing a warrant, the Court will find the defendant guilty as charged, impose a fine and costs, and conclude the case. Each defendant that is placed in the program will sign an agreement agreeing to the terms of the program.

Reducing the number of warrants has multiple benefits. For the defendants, it eliminates the possibility of being arrested and jailed for an offense that they would otherwise not face jail time. The benefits for law enforcement and the communities are significant. Warrants are often executed during routine traffic stops and many of those stops are specifically related to a vehicle's owner showing up as under suspension.

Routine traffic stops can present unpredictable danger to police officers as officers never know how an individual is going to react when taken into custody. In addition, two officers are always required to take a defendant into custody. That is two fewer officers available to protect our communities while these warrants are being executed and the defendant is being transported to jail. Reducing the number of warrants reduces possibly dangerous encounters for police officers executing the warrants and keeps officers available to protect our communities.

The Exchange Returns To Lyndhurst

We are pleased to announce that The Exchange has returned to Lyndhurst with the opening of a new store, located in the Crossroads Shopping Center, 5110 Mayfield Road. The Exchange, which started as the Record Exchange, has been in business for 46 years and has a long tradition of providing excellent customer service in a fair and equitable fashion.

The Exchange buys, sells, and trades Record Albums, Compact Discs, Video Games and all the accessories that go with them, Movies in DVD, Blu-Ray and 4k, Posters, and a variety of collectables.

If you are looking for that very special and unique gift for a vinyl enthusiast, music or movie lover, or gamer we are sure to have something in our inventory to please them. Looking to sell your LP's, movies, cd's and such? Definitely stop by!

Thank you to all that have shopped with us throughout the years. We do hope to see you soon in our beautiful new location! As always, we appreciate your business.

Over 500 came out on Saturday, October 16. Children, parents, grandparents braving the rain to enjoy Trick-or-Treat Trail in Lyndhurst Park! Thank you to all the City Departments and staff, our Council, their wives and children who came out to provide a fun Halloween experience for all!

*Thank you,
especially, to our Cider and Doughnut Sponsors
Giant Eagle-Legacy Village and Dave's Supermarket-Hilltop Plaza
For their most generous sponsorship of this Community Event!*

Join us for the following Holiday Events!

Holiday Lighting

**Friday, December 3, 7 p.m. – 8 p.m.
in Lyndhurst Park**

Stroll “Candy Cane Lane” through Lyndhurst Park, see Santa at the Gazebo – feel free to take pictures in front of Santa, properly distanced of course. Stop by the Community Center patio to pick up a cup of Hot Chocolate and individually wrapped cookies. Of course, you can visit Candy Cane Lane any evening during the Holidays but Friday, December 3 from 7-8 p.m. will be extra special!

Menorah on Mayfield

Sunday, December 5, starting at 5 p.m.

The wonderful tradition of the Menorah on Mayfield continues! The Menorah in front of City Hall will be lit followed by individually wrapped refreshments and celebration in the City Hall parking lot! The significance of the Menorah’s light in the darkest times cannot be understated.

Please join us Sunday,
December 5 beginning at 5 p.m.!

DAISY GIRL SCOUT TROOP #71762

HOLIDAY FOOD DRIVE

Our Local Brownie Troop #71762 has, once again, partnered with the City of Lyndhurst for this year's Holiday Food Drive benefitting **The Greater Cleveland Food Bank**.

Food insecurity in our community and across the region is still high so every donation is much appreciated.

Please consider dropping off your donation of dry or canned food items (unexpired please) to the boxes in the lobby of **Lyndhurst City Hall 24/7** or bring your donation to the **Holiday Lighting event December 3**.

OUR CHALLENGE GOAL FOR LYNDHURST IS 1,000 POUNDS OF FOOD!

Every Food Donation is welcome. Some items that are especially nice this time of year are:

- ✓ **Sweets** (candy, pudding mix, cookies, cake mixes, etc. Buying leftover Halloween candy when it goes on sale works great!)
- ✓ **Stuffing Mix**
- ✓ **Canned Cranberry Sauce** (15 oz. cans)
- ✓ **Packets of Chicken or Turkey Gravy Mix** (15 oz. cans of gravy are also OK. Glass jars don't work as well)
- ✓ **Canned Sweet Potatoes/Yams** (15 oz. cans)

Donations of **COFFEE AND TEA** are also most appreciated! These items are not available from federal and state food support programs.

Please consider supporting our Brownie Troop's efforts to help those in our community who are in need this Holiday Season! Thank you!!

From our Service Department

Curbside Leaf Collection

The City of Lyndhurst Service Department has resumed leaf vacuuming piles of leaves from tree lawns. **All leaves that are collected from tree lawns will be composted and made into leaf humus and other soil amendments.** Therefore, it is extremely important that you place all leaves on your tree lawn in piles near the curb for vacuum pick up. At the end of the season, if you should have small quantities of leaves, please bag them in paper yard waste bags or place them in your designated yard waste container. Place the leaves curbside for pick up on your normal collection day.

Because of a safety hazard, **leaves are not to be piled in the street or gutter.** Leaves piled in this area will not be picked up, and the resident will be notified to remove the leaves or be cited (C.O. 660.03).

PILED LEAVES MIXED WITH BRANCHES OR OTHER MATERIAL WILL NOT BE PICKED UP.

We often get the question when leaf collection for an individual street will take place, unfortunately this question is difficult to answer. There are many variables over which we have no control such as weather and the rate of leaf fall in order to predict a specific day or date

of collection. We collect street by street throughout the City and will not return until the entire City has been collected. Amounts of leaves on tree lawns and weather conditions dictate how fast we can move through the City; therefore, we do not have set daily schedules. We typically pick up between 550-600 truckloads per season which is about 9,000 yards of packed ground leaves! The entire City is collected five to 12 times per season depending on those and other variables.

Our curbside leaf vacuum program will end on or around December 1, please do not place any loose leaves at the curb after December 1 as we cannot guarantee the ability to vacuum loose leaves. Once the weather dictates a switch over to snow and ice control equipment all leaves must be placed into brown paper lawn and leaf bags or designated yard waste containers or consider mulching directly into your lawn. ("Yard Waste Only" stickers for containers can be picked up at the Service Department office or City Hall during working hours).

We respectfully request your assistance and cooperation to ensure a successful program that will, hopefully, satisfy all our residents.

City Street Parking

Snow is on the way! We would like to remind you that it is prohibited to park on any City street when snow accumulations exceed 2 inches. In order to properly clear the roadway from snow and ice all parked vehicles must be off the roadway. Placing snow into the roadway or across sidewalks is also prohibited, please remind your contracted snowplow drivers. We receive a high volume of calls during the winter because sidewalks are covered putting pedestrians at risk. Your continued cooperation is needed and much appreciated!

Weekend Rubbish Program

Our Weekend Rubbish Program's last weekend is November 20/21, we will resume April 2 2022. If you are in need of Household Hazardous Waste (HHW) disposal before next spring's weekend service, bring your HHW to the Service Department garage in the sealed original containers. Stop by our office Monday through Friday from 7:00 a.m. – 3:00 p.m. and we will assist you.

The Destination School Community

**Successes and Real World Skill Development at
Every Level of Education in the SEL Schools!**

Rowland third graders are delivering their own video recorded morning announcements, providing responsibility, teamwork, communications and leadership skills!

Memorial Junior High students engage the community with a car wash to raise funds, and also awareness about the harmful effects of drug use. Thank you to everyone who supported our Memorial Student Council.

Thank you to our partners at the South Euclid Fire Department, for their recent visit and training with our students on the importance of fire safety!

**South Euclid
Lyndhurst Schools**

The Innovation Lab at Brush High School trains students with real-world, hands-on skills and opportunities and is offered through a new S.T.E.M. Class for students.

A new Career Readiness Class at the Greenview Campus is preparing our students for making wise choices for their future career paths.

Students from Sunview Elementary School join their classmates throughout the SEL Schools in honoring the lives lost on 9/11.
